Business Funding Support

UECLGS 5.0

APPLICATION SUPPORT SERVICES

Complete Assistance for Union Emergency
Credit Line Guarantee Scheme 5.0

Businesses facing liquidity challenges due to the West Asia crisis can now access additional credit support under UECLGS 5.0. We provide end-to-end professional assistance to help eligible businesses successfully apply, process, and secure funding under the scheme.

Our expert team supports MSMEs, Non-MSMEs, and eligible businesses with complete financial guidance, documentation, and strategic advisory services to simplify the entire funding journey.

Our Core Services

Eligibility Assessment

We evaluate your business profile and financial position to determine eligibility under UECLGS 5.0.

Application Support

Complete assistance in preparing and submitting applications through the Jan Samarth Portal.

CFO Advisory Services

Professional financial advisory to improve funding readiness, business planning, and lender confidence.

Fund Raising Assistance

Strategic support for arranging additional working capital and structured funding solutions.

Financial Analytics & MIS

Advanced financial analysis, cash flow evaluation, and business performance reporting for better financial decision-making.

Eligibility & Scheme Support

Who Can Apply Under UECLGS 5.0?

We help businesses identify their eligibility and prepare the right financial structure for successful loan approval.
